Summer is just around the corner! The Brighton Green Pool opens **May 24th**- (weekends only- Sat 11-8, Sun 12-8). Once school is out (**June 13**) the pool will be open every day. Inside this issue you will find swim team registration dates, lifeguarding classes, opportunities for gate guards and returning snack bar workers. In the meantime, we need help getting the pool ready. See below for clean up dates. If you are able to help out, pick one or both dates. Supervised children are welcome to come help or use the playground.

Membership: Remember to send in your BGCA membership renewal (or refer a new member) before the pool opens. Also don't forget to send in your old keytags. Membership applications can be obtained on our website (www.brightongreen.org) or by calling Margaret Rittenhouse at 272-4045. The early bird registration closed March 31, but the pool is still the best bargain in town! Another bargain for the non-swimmers is the \$35 general membership which helps keep the neighborhood services up and running and the newsletters coming out to the members.

New Services:

Brighton Green Message Board at the Brighton Green website: go to website and click on the appropriate link (join the group, post a message, take name off group).

New Hotline Number: 272-9946. We have a new hotline number with a voice mailbox with a choice menu. This enables us to have a phone for pool staff to use and avoid disruption of incoming calls from people seeking information about Brighton Green.

Good Neighbor Reminder: Please stop your dog from roaming the neighborhood. Concerned neighbors may call Chesterfield Animal Control **748-1683**. Please also remind family members that the speed limit inside the neighborhood is **25 mph**.

On a sad note, BGCA will not field a dive team this year. The BGCA board supported having a dive team but the low numbers of divers, coupled with difficulty getting volunteer judges, and a lack of current coach to recruit resulted in a difficult decision. The RMAL league has been working closely with Claire Dayton to facilitate a solution and make it easier for our divers to dive with other clubs. We hope the situation will be different next year and that we will see the return of the GATORS dive team. Wherever they dive, we will continue to support our Gator Divers!
