## Grounds News

We cannot keep Brighton Green beautiful without your help!

Please help by volunteering some time to help maintain the grounds around the entrances, building, pool, playground, tennis courts, etc.

Other things to consider:

“Adopt a Space”  
Weed in between cleanup days  
Planting flowers  
Trimming shrubs  
Sweeping or blowing off tennis courts  
Hauling and/or spreading Mulch

Please contact Tim Spivey at 272-9946 if you are interested in helping out in any of these areas.

## Swim Team

We are in the middle of an exciting swim season! If you would like to come and cheer on the Brighton Green Gators, you can find the swim meet schedule at [www.brightongreen.org](http://www.brightongreen.org). We look forward to seeing you there! Keep a check on the Brighton Green website Spring, 2011 for next year's sign up times for all swimmers – we welcome all swimmers ages 4-18.

### FOR YOUR INFORMATION:

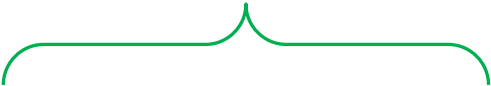

It's that time of the year that the pool is in full swing and many folks are taking every opportunity they can to come down to the pool.

If it has been a while since you last read the pool rules, please do so as there has been some changes/updates.

Please remind your children that even when "their" parents are present at the pool, there are many other parents keeping an eye on them.

That is what makes Brighton Green such a family oriented neighborhood. We not only keep an eye on our own children, but those of the entire community.

Please take the time to read them to your family and become aware of the current pool rules.

**Starting**  
July 9 at 6pm

Enjoy Friday Float  
Nights with  
Tasty Kabobs from  
the snack bar, Music  
and more!

### Remember:

Whenever there is a "HOME" swim meet, BGCA members are welcome to swim at the opponent's pool. You will need to sign in at their facility using your member number.
