

We also have 2 fabulous new coaches! Here is some information about both of them:

Christian Tiller is completing her junior year at Randolph-Macon College. She is studying political science, journalism and biology. She began swimming at age 5 and swam summer swim league at Evergreen and Surreywood. Christian remembers swimming against Brighton Green! She swam for Trinity High School's varsity swim team and spent one year on the Randolph-Macon swim team. She has experience managing the pool and lifeguarding at Surreywood and coaching a variety of afterschool sports programs. We were excited the first time we spoke with her, particularly about her enthusiasm to coach at Brighton Green!

Kellianne Mullin is completing her sophomore year at Randolph-Macon College. Prior to college, Kellianne grew up in Charlottesville, Virginia where she swam for Western Albemarle High School and CYAC (year round swimming club). The past two years, Kellianne has served as a valuable member of the swim team. Kellianne was an ODAC conference finalist in all of her events the past two years and is the current record holder in the 200yd Breaststroke and 200 yd Medley Relay. Kellianne has also made All-ODAC First team the past two years. She is a Business/Economics major with a minor in Ethics with an emphasis on International Relations. She brings many years of coaching experience with stroke technique. Welcome Kellianne!

Kellianne and Christian have a lot of enthusiasm about swimming and coaching and will be co-coaching our team. They are outgoing and friendly and we have confidence that they will fit into our Brighton Green family!
