

Dear Brighton Green Neighbor:

Thank you for your ongoing support of Brighton Green. We all know what a great neighborhood we have and we know it takes time and money to maintain our home values and community property. This year the Association is *50 years old and needs your help!* We invite you to the **Annual Meeting being held on Saturday, February 25th at 9 AM** to learn more about our situation. If you would like to donate some of your time, we have several Board positions open and can always use help at events.

The continued deterioration of the community property has a negative effect on all of our home values and the general appearance of our community. The Board urges every household to make a contribution and get involved in some small way. At a minimum, we ask that you purchase a **Maintenance Membership**. This membership level costs \$65 and is the minimum amount (IF everyone joins) needed to maintain the grounds and facilities.

Attached you will find our 2017 membership application that explains the 2017 fee structure and payment options. **Your \$65 will be credited toward a Recreational Membership upgrade if you choose.**

We have several new additions to our membership this year and are very excited about increasing membership and providing ways for the members of our community to become proactive in making Brighton Green the **BEST** it can be! Recreational Membership now includes 5 single pool passes for your summer visitors! We have also implemented Membership Add-ons to include rates for non-member babysitter(s) as well as for those members who may have family/guests staying with them for the week or the entire summer season. For our grandparent recreational members, be sure to call 272-9946 for two free 7-visit passes or visit the lifeguard desk at any time during the season.

Brighton Green is always looking for families and individuals who want to be a part of our community. If you have friends/family that join, make sure they mention your name and you can earn an additional five (5) guest passes referral bonus!

Remember, if your Recreational Membership payment is made in full by April 15, 2017, you will receive an early bird discount. But don't wait! Make your investment now by mailing this form or via secure credit card payment on the website.

Finally, we are again offering a single complimentary BG T-shirt with every membership. Please indicate the size at the bottom of this form. These are also available for purchase in the online Store or by indicating what you want and including \$12 per shirt (\$14 for XXL) anywhere on this form.

Please don't wait to purchase your Maintenance Membership. **The Community needs the funds now!** We are looking forward to a great summer at BGCA!
